

Richard Richardson

Head of Asia

Global Commodities Holdings Limited (GCHL)

Richie Richardson began his career as a Freight Charterer and Coal Analyst at Coal Marketing Company (CMC) in Dublin. From there, he joined globalCOAL, the coal division of GCHL, for the first time – as a Market Manager at the London HQ.

On departing GCHL for Asia in 2011, Richie enhanced his coal trading expertise at HC Trading in Singapore. This was followed by his appointment as Thermal Coal Trade Manager at Coeclerici Asia. He rejoined GCHL as Head of Asia in March 2014.

Richie holds a BA in Management Information Systems (MIS) from Dublin Business School and an MBS in MIS from University College Dublin.

About Global Commodities Holdings Limited®

Global Commodities Holdings Limited provides an online physical trading venue offering a global marketplace for standardised commodities, as well as a fully bespoke brokerage service for non-standardised commodities.

The online trading activity provides real-time objective price data for determining the GCHL indices, against which derivative contracts are settled.

globalCOAL, a division of Global Commodities Holdings Limited, was founded by leading members of the world coal industry to promote screen trading of standardised coal products. The company has developed the world's leading electronic marketplace for thermal coal, as well as a range of standardised coal quality specifications, a Standard Coal Trading Agreement (SCoTA®), and robust methodology for coal price index calculation. globalCOAL is also cooperating with leading energy exchange ICE Futures Europe to develop the coal Futures market.
